

FREE ABA

THERAPY PROJECT

Through blending expertise with local insights, Ryan aims to offer a therapy approach that resonates more with Japanese values, demonstrating ABA as a valuable culturally attuned tool in Japan.

RYAN FURUYA

Board Certified Behavior Analyst

- US-trained Board Certified Behavior Analyst (BCBA) since 2014
- Experience with clients aged 1.5 to 60 years in various settings (homes, schools, group homes, hospitals, public settings)
